

## How to Leave the Gaylord Opryland for Nashville International Airport

1. Upon checking out from within the room or the front desk, guests will proceed out the main front door and to the right to board the shuttles returning to the airport.
2. We recommend guests depart the hotel 2 hours before their scheduled flight departure.
3. Guests will need to show their ticket to the driver upon boarding.
4. Guests will be delivered to the center portion of the 3rd Level of the Nashville International Airport. This will allow all guests to reach their airlines quickly for check in before boarding their flight.
