

PREPARE STUDENTS FOR LIFE AFTER SCHOOL

Top 5 Reasons the Life Centered Education is the curriculum educators need to create a customized education plan to prepare students for adult living:

Was created by Council for Exceptional Children, the recognized transition authority

Provides online access to 400 interdisciplinary objectives, 1,200 objective-based lesson plans, and 450 correlated test items (written & performance)

Includes comprehensive content aligned to state standards in daily living, self-determination, interpersonal, and employment skills

Affords systematic assessment of baseline student competencies, online tracking of individual growth, and instruction targeted at skill deficiencies

Transfers results directly to quarterly progress monitoring reports, annual IEPs with current strengths and improvement areas, and post-secondary vocational and educational plans
