List of Unit/Division Members’ E-Mails Available From CEC!

As a CAN Coordinator, it is essential to communicate regularly with members of your network. To assist in your communications, CEC will provide you with a list of members in your State Unit or Division.

CEC will email you an Excel Spreadsheet monthly containing members’ addresses, phone numbers, and e-mail addresses, along with other relevant information. You can select their e-mail addresses and put them in an address book, to make email communications easy. As it is important to protect the dignity of our members’ information, we encourage you include a caveat regarding the option to unsubscribe to your emails. Please delete those that are not interested from your address book.

If you have any questions, don’t hesitate to contact Katie Grady at katieg@cec.sped.org.
